

# **We Value Your Health.**

**Berkshire Hathaway HomeServices Northeast Real Estate values the health and safety of our Sellers and Buyers above everything. In this spirit, we are following the government advisories and the CDC Protocols when conducting our business.**

**Therefore, for your protection we ask that you adhere to the following protocol:**

- If you are not feeling well, have a cough or cold, DO NOT enter the premise. We are happy to email you photos and video to help you see the interior.
- Please do the Museum Tour, all the lights are on, doors and some cabinets are open - LOOK BUT DO NOT TOUCH.
- No children under the age of 18 are allowed to enter the premises. Please tour in shifts so that the children may remain outside with one parent while the other tours.
- Before touring the house, you must use the disinfecting wipes we provide to thoroughly sanitize both of your hands, and dispose of them in the receptacle provided, or take them with you.
- All showings must be limited to 20 minutes inside. You may also schedule a second viewing.
- You must practice COVID-19 guidelines for social distancing and stay 6 feet apart while at the property.

**Please understand that YOU ARE SOLELY RESPONSIBLE to protect your own health, the health of your loved ones, and that you are entering the premises at your own risk.**

**Thank you for viewing our Listing.**
